CODE OF CHIVALRY

Every Galahad agrees to abide by the Galahad Code Of Chivalry. (<http://www.thegalahads.com/code-of-chivalry>) The Code is such an important part of your Secret Society membership that reading, understanding (even memorizing) it should be the first thing you do.

MASTER'S BLOG

When you walk through the doors of Camelot you will find yourself in the company of the Masters on the Masters Blog. You can visit the Master's Blog whenever you need some inspiration, wisdom and guidance. It would be wise to subscribe via email or add to your reader. Your view of the Master's Blog may be different than that of another Galahad. All of the Camelot content is presented to you based on your Galahad level. As you move through the ranks of Page, Squire, Knight and perhaps one day "Master" you will gain greater access to hidden hallways and locked doors in Camelot and more content will become available to you.

You can also find the most recent version of **The Scroll** (our monthly jammed-packed news package) and any company announcements.

YOUR PROFILE

A Galahad has TWO profiles. Your Public Profile is available anyone through the Galahad website. We even provide you with graphic links to your profile so that you can proudly display your Galahad status on own web properties. Your Public Profile includes your photo and bio. You also have a Private Profile that only other Galahads can see - this profile has all of the good stuff. You will want to update your Bio and add a photo as soon as you can.

YOUR LIFE MAP

By June 15th the Life Map feature will be active in Camelot. Within your Private Profile you will find a link to your "Life Map" application. This indispensable Camelot feature will help you to track your Kick-Ass Armor, your Book of Spells, your Armory as well as your Camelot and Roundtable Goals.

YOUR ROUNDTABLE

Until we have completed your Roundtable Experience assignment this page will be blank except for the links to the Roundtable Training. When your assignment is complete your Roundtable link will become available from this page. It is recommended that you complete your Roundtable Training as soon as possible. You will only be able to schedule your first session when all Roundtable Members have earned their roundtable badge.

QUESTS

True Galahads are focused on creating results and building their arsenal of skills. Our Masters are hard at work creating the Quests that you need to do both. We have extremely high-standards for the Quest products that are available to you in Camelot. We will carefully and strategically build the Quest library as we learn more about the exact results and skills our Galahads are looking for AND find the right Master to bring you the right product. Quests will bring you Badges, Badges bring you Level Points, Level Points move you upwards in Galahad status. Some of our Quests will be available at no charge, some require payment. Galahads can earn level points in many ways and are not required to purchase Quests to move up in status.

JOUSTS

Galahads need to keep their skills honed and focus on continued growth. Camelot hosts a monthly Joust to help all Galahads stay "battle-ready" plus experience the fun of some healthy competition. The Launch Joust will be available by June 15th. Galahads can participate as an individual or join in as a team with their Roundtable peeps.

FIND A GALAHAD

You can search for other Galahads by location, name or particular skill-set.

RESOURCES

Our resource library is place to find Camelot training, helpful worksheets and goodies and any other free resources that we believe will help you in your Kick-Ass journey.

CHIVALRY POINTS

When we said our Code Of Chivalry was important we meant it. We only want kick-ass women in our Secret Society and Galahads know that actions speak louder than words. That's why continued membership in Galahads is contingent on a minimum monthly attainment of Chivalry Points.
